United States Medical Licensing Examination® (USMLE®)

**SUBSEQUENT REQUEST FOR TEST ACCOMMODATIONS**

*Use this form if you were previously provided test accommodation(s) for a USMLE Step Exam*

**The National Board of Medical Examiners® (NBME®) processes requests for test accommodations on behalf of the USMLE program**

If you have a documented disability covered under the Americans with Disabilities Act (ADA), you must notify the USMLE in writing each time you apply for a Step examination for which you require test accommodations. Submitting this form constitutes your official notification.

- Complete all sections of this request form; submit the form and any required documentation to Disability Services. In order to begin processing your request, you must have a completed registration for the USMLE Step exam for which you are requesting accommodations.
- Do not resubmit supporting documentation already provided with a previous request.
- NBME will acknowledge receipt of your request by e-mail and audit your submission for completeness. If you do not receive an e-mail acknowledgement within two business days of submitting your request, please contact Disability Services at 215-590-9700, or [disabilityservices@nbme.org](mailto:disabilityservices@nbme.org).
- Some impairments change over time. You may be asked to submit updated documentation to complete your request. The USMLE Guidelines for Test Accommodations at [www.usmle.org](http://www.usmle.org) provide a detailed description of how to document a need for accommodation.
- Prior receipt of accommodations for a Step exam does not guarantee that identical accommodations are indicated or will be available for all future Step examinations. For example, if you previously received accommodations for Step 1 or Step 2 CK, and are requesting accommodations for Step 2 CS for the first time, your prior supporting documentation may not adequately document your need for accommodations on the clinical skills examination. Please carefully **follow the instructions in Section D on page 4** of this form.
- **Requests are processed in the order in which they are received. Processing cannot begin until sufficient information is received by NBME and your Step exam registration is complete. Allow at least 60 business days for processing of your request.**
- The outcome of our review will not be released via telephone. All official communications regarding your request will be made in writing. If you wish to modify or withdraw a request for test accommodations, contact Disability Services by e-mail at [disabilityservices@nbme.org](mailto:disabilityservices@nbme.org) or telephone at 215-590-9700.
